# Certificate of Attendance

this certificate is presented to

## Gabriele Genovese

for attending

## The 2026 Dutch Winter School on Logic and Verification

on 20 - 23 January 2026 in Enschede, The Netherlands, at University of Twente

Georgiana Caltais,
local organizer

The winter school is organized as part of the project **Cyclic Structures in Programs and Proofs** (file number OCENW.XL.23.089) of the research program Open Competition Domain Science XL, by the Dutch Research Council (NWO) under the grant https://doi.org/10.61686/FHYZO53064.

# Certificate of Completion

This is to certify that **Gabriele Genovese** has fully attended **The 2026 Dutch Winter School on Logic and Verification**, held from Tuesday 20 January to Friday 23 January 2026 in Enschede, The Netherlands, at the University of Twente.
The winter school comprised 3.5 days of instruction, including 15 lectures of 90 minutes each, covering the following topics:

- Causality in Concurrency
- Category-Theoretical and Coalgebraic Reasoning
- Coinductive Programming and Proving in Agda
- Session Types
- Program Verification using Concurrent Separation Logic

Attendance was monitored on a daily basis.

Based on full participation, the University of Twente awards 2 ECTS credits for this winter school. The recognition and transfer of these credits remain subject to the regulations and decision of the participant's home institution.

Date of issue: 23 January 2026
